

WORLD OF KIDS DAYCARE AND OSC AUGUST 2025 NEWSLETTER

The children will be spending more time outside as the days are getting warmer and longer. If the children are not in the classroom, chances are they are outside in the playground. Please remember that with our “crazy Alberta” weather, to send your child with **hat, sun screen, bug spray, water bottle and light jacket**. Thank you for your cooperation.

Happy Birthday

We would like to wish August born children
And staff to have a lovely and happy
birthday.
We wish you to have a bright year ahead.

Program planning:

Babies and Toddlers

*During the month of July children explored various activities on emergent curriculum program planning under the big idea of **MESSY PLAY**. We planned lots of activities where children learned through hands-on experience. As their interest is getting shifted now, in the month of August children will be learning about **MIXING, POURING AND BLENDING** through different play experiences.*

Preschoolers

*During the month of July children explored various activities on each day. We planned lots of activities where children learned through hands-on experience. As their interest is getting shifted now, in the month of August children will be learning about **COOKING** through different play experiences.*
