

WORLD OF KIDS DAYCARE AND OSC
OCTOBER 2025 NEWSLETTER

Welcome to the new beginning of the month. October is here and our days are getting darker early. We will spend limited time outside around 30 min- 45 min and come back early. I request all parents to send weather appropriate jackets, shoes with your child every day. Wish you all an advance happy Halloween.

Dates to remember	
Oct 5	Daycare fee is due
Oct 13	Thanks Giving(Daycare closed)
Oct 31	Halloween dress up day

Wish all children and staff who is born in October a very happy birthday. Have a fantastic year ahead.

Kinder and OSC September month Learning:

During the month of September preschool children explored various activities on emergent curriculum program planning under the big idea Team work. We planned lots of activities where children learned through hands-on experience. As their interest is getting shifted now, in the month of October children will be learning about "Fall adventure" through different play experiences.

Preschool September month Learning:

During the month of September preschool children explored various activities on emergent curriculum program planning under the big idea Change and Transformation. We planned lots of activities where children learned through

hands-on experience. As their interest is getting shifted now, in the month of October children will be learning about "Community and belonging" through different play experiences.

Baby and Toddler September month Learning:

During the month of September preschool children explored various activities on emergent curriculum program planning under the big idea Discovery. We planned lots of activities where children learned through hands-on experience. As their interest is getting shifted now, in the month of October children will be learning about "stacking" through different play experiences.
