December 23	Christmas celebration at daycare and Pajama day
Dec 24-Jan 4	Daycare closed

### ***Baby and Toddler room December month Learning:***

*During the month of November children explored various activities on emergent curriculum program planning under the big idea **Construction**. We planned lots of activities where children learned through hands-on experience. As their interest is getting shifted now, in the month of December children will be learning about **Arrangements** through different play experiences.*

### ***Preschool room December month Learning:***

*During the month of November children explored various activities on emergent curriculum program planning under the **Harvest and thankfulness**. We planned lots of activities where children learned through hands-on experience. As their interest is getting shifted now, in the month of December children will be learning about **Sharing and caring** through different play experiences.*

### ***Kinder and OSC room December month Learning:***

*During the month of November children explored various activities on emergent curriculum program planning under the big idea **Light, Shadow and reflection**. We planned lots of activities where children learned through hands-on experience. As their interest is getting shifted now, in the month of December children will be learning about **Winter life skills/ Independence and Celebrations**, through different play experiences.*
