

WORLD OF KIDS DAYCARE AND OSC

NOVEMBER 2025 NEWSLETTER

Welcome everyone to the new beginning of the month. October was a fulfilling month with lots of celebrations like thanksgiving and Halloween.

Halloween Candy... Now What?!?!?
All the children loved Halloween and why not. Then it's time to head home with the heavy hauls of chocolate and other items. But what happens next? For us at World of kid's daycare we ask that the children do not bring treats into the center with them. We need parents to respect our rule; to avoid tantrums when the candy is taken away. Your support is greatly appreciated.

HAPPY BIRTHDAY

We would like to wish November born children and staff to have a lovely and happy birthday.

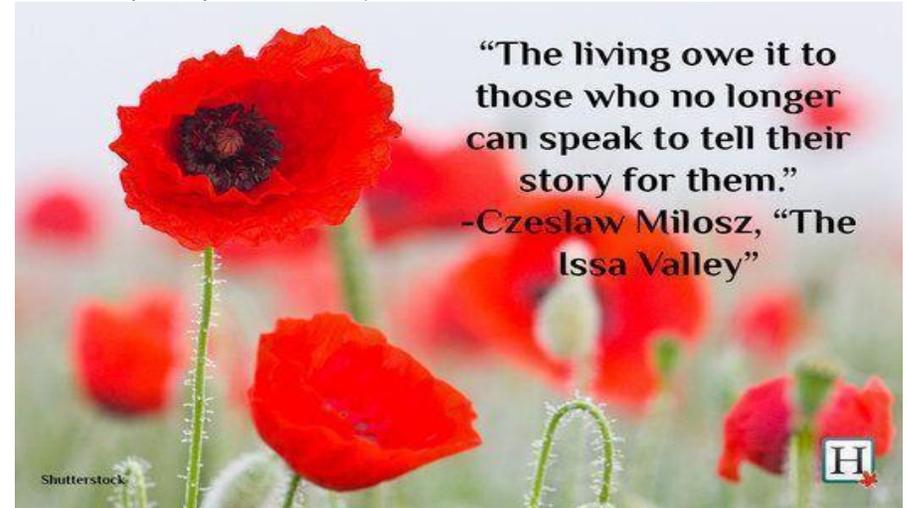

We wish you to have a bright year ahead.

Dates to remember

November 5	Childcare fees are due
November 2	Daylight Savings
November 11	Remembrance Day- center closed
November 20	National Child's Day

CHRISTMAS HOLIDAYS:

I want to give heads up for the Christmas holidays in advance. We are closed from Dec 24 to Jan 4. Daycare workers work all day long like fall break, spring break, summer break, Pd days. We deserve a break so we can start fresh from January 5, 2026.

“The living owe it to those who no longer can speak to tell their story for them.”

-Czeslaw Milosz, “The Issa Valley”

NATIONAL CHILD DAY:

National Child's Day—November 20th Wear a royal blue ribbon to show support for National Child's Day. Canada's future depends on the healthy development of our children. The blue ribbon shows that you think Canada's children prime consideration in all economic, social and political decisions, policies, programs and expenditures.

Baby and Toddler room October month Learning:

*During the month of October children explored various activities on emergent curriculum program planning under the big idea stacking . We planned lots of activities where children learned through hands-on experience. As their interest is getting shifted now, in the month of November children will be learning about **Construction** through different play experiences.*

Preschool room October month Learning:

*During the month of October children explored various activities on emergent curriculum program planning under the big idea “Community and belonging”. We planned lots of activities where children learned through hands-on experience. As their interest is getting shifted now, in the month of November children will be learning about **Harvest and Thankfulness** through different play experiences.*

Kinder and OSC room October month Learning:

*During the month of October children explored various activities on emergent curriculum program planning under the big idea Fall adventure. We planned lots of activities where children learned through hands-on experience. As their interest is getting shifted now, in the month of November children will be learning about **Light, shadow and reflection** through different play experiences.*
